## LIST OF PRIVATE CARE AGENCIES FOR SOUTH LONDON

This guide has been put together by South London Community Support Services and contains references to external organisations. We endeavour to ensure that all information is accurate at time of publication. South London Community Support Services can not recommend or be responsible for the services or information provided by these external organisations, however we do hope that this information will be a useful guide to you.

This list is sent to you for the purpose of information only and was correct at the time of printing.

In addition to this list, a small number of agencies in south London have had cultural awareness training in working with the Jewish community. These include certain branches of Bluebird Care, Prestige Nursing, HFH Homecare, Carewatch and Share & Care. Two of these agencies offer homeshare as well.
